

Mr. Kevin Shewdo was appointed to the Governor’s Cabinet by Governor Nikki Haley on January 14, 2011 and confirmed to lead the Department of Motor Vehicles by the South Carolina Senate on February 10, 2011. Based upon the severe flooding in early October of 2015, the Governor directed that he temporarily step aside from his DMV responsibilities and lead the State’s Disaster Recovery efforts and synchronize Federal, State and Local resources. The Executive Order tasked Shewdo with recommending short and long-term recovery efforts in areas of community planning, economic recovery, housing recovery and more. The role kept Shewdo busy for months, traveling to affected areas around the state to assess needs, attending town hall meetings to talk with locals impacted by flooding and performing countless other coordination duties.

Colonel Shewdo holds a Bachelor of Science degree in Business from the University of North Carolina at Chapel Hill (1978) and a Masters Degree in Public Administration from Shippensburg University of Pennsylvania. He was designated a Distinguished Military Graduate from Valley Forge Military Junior College in 1976. His military schooling includes the Infantry Officer Basic Course, Armor Officer Advance Course, Combined Arms and Services Staff School, Command and General Staff College, Joint Military Professional Education and the United States Army War College.

Colonel Shewdo and his wife Beth reside in Columbia. They have two children, Cameron and Ryan.
